

Appendix 1 - Board of Directors Nomination Form

Thank you for considering participation on the Board of Directors of the Wood County Humane Society. We are seeking individuals who can work cooperatively and positively to fortify the strengths we have and enhance some of the areas in which we seek to improve. Our website will give you an idea of the ongoing events and opportunities we provide the community.

The WCHS Board is a working volunteer board—the members of the Board are asked to serve as the chairs of standing committees and are required to attend monthly meetings in the Bowling Green/Perrysburg area. We ask our board members for a considerable commitment of time depending on the projects on which they are working; we ask you to look carefully at the time you have available. The standing committees on which you might serve according to your own abilities and interests are: Membership/Contributions, Fundraising, Public Relations, Policy and Personnel, Education/Outreach, Budget/Finance, Volunteers, Spay/Neuter, Community Shares and Building/Grounds.

Please take a few minutes to fill out the application below, so that we may get to know a bit about you (if you need more room, feel free to use another sheet of paper). Someone will be in touch with you for a phone or email interview within two weeks of the receipt of your application.
